

EFI PrintSmith Report Writer

Schedule Routine Reports with Report Manager

Report Manager makes it easy to schedule reports to run hourly, daily and monthly at any time and any workstation, so you can have real-time information around-the-clock.

Enter Jobs in Multiple Ways

The **custom management tools** give you several ways to initiate jobs with multiple built-in job tickets and optional job ticket templates, saving you precious time. Now, you can customize a report template with point-and-click ease, add tracking locations, enter shipping instructions, and highlight pertinent notes.
