Simple self-serve
card vending solution

EFI Self-Serve G5 Card Vending Kiosk is a fully featured kiosk enabling the unassisted dispensing and adding value to cash cards.

Need to accept cash for copies and prints?
The G5 Card Vending Kiosk provides a completely self-serve method to accept cash for use with the M500 Copy and Print Station.

By allowing cash customers to dispense and add value to cash cards, and to check balances and print receipts, users paying with cash have it easy with the G5 Card Vending Kiosk.

• 19” capacitive touch screen
• High-speed thermal receipt printing
• Capacity for 200 cards
• Multi-directional, multi-currency bill acceptor holds up to 600 bills
• 2D barcode scanner
• Optional multi-currency coin acceptor
• Optional PIN code terminal fixture
• Mounting support for customized skins and signage
EFI Self-Serve G5 Card Vending Kiosk
